2 x 1 gal, 15 gal

**RESTRICTED USE**

No

Castaway™, containing the active ingredient imazamox, is an excellent tool for selectively managing undesirable vegetation in a wide variety of terrestrial and aquatic sites. Targeted vegetation controlled by Castaway includes many floating, shoreline, emerged and submersed aquatic weed species. Aquatic sites treated pose no restrictions for livestock watering, swimming, fishing, or domestic uses.

PRODUCT INFO

- Systemic activity results in entire plant, including roots, being controlled
- Fast-acting; susceptible plant growth halted within 24 hours
- Excellent tank-mix partner with many other aquatic herbicides
- Can be used on noncropland sites used for grazing or cut for hay
