No

Whiplash™ ingredients fluroxypyr and clopyralid combine to provide growers control of a wide variety of problem broadleaf weeds including ALS-resistant and dicamba-tolerant kochia. And with a compact, tank-mix compatible formulation that even controls emerged weeds up to 8 inches tall, growers have the flexibility needed to respond to a broad range of field conditions.

PRODUCT INFO

- Comprehensive spectrum control of broadleaf weed
- Compact, tank-mix compatible formulation
- Flexible application window
- Efficacy on weeds up to 8 inches tall
