Stergo™ MX is a broad-spectrum, systemic fungicide for the control of Pythium and Phytophthora diseases on turf, ornamentals, and greenhouse and nursery-grown crops. Powered by the active ingredient, mefenoxam, Stergo MX stops disease growth and prevents the development of disease within the plant.

PRODUCT INFO

- Broad-spectrum control of Pythium and Phytophthora diseases
- Systemic activity provides root to leaf protection
- Minimizes development of resistant fungi strain
