4

SIGNAL WORD

Caution

PACKAGE SIZE

2 x 2.5 gal

RESTRICTED USE

No

Stigmata™ herbicide contains the active ingredient clopyralid which controls a range of broadleaf weeds, vines, and woody plants including mesquite, knapweeds, thistles, and kudzu. Stigmata provides effective control in range and pasture grasses and non-crop sites like rights-of-way, roadsides, and railroads.

PRODUCT INFO

- Controls tough invasive weeds like knapweeds and thistles
- Highly effective on mesquites and other woody legumes
- Wide range of use sites
