

CONTAINS SPIROTETRAMAT, THE ACTIVE INGREDIENT USED IN KONTOS®

RELIABLE INSECT PROTECTION FROM ROOT TO LEAF

EPA REG. NUMBER

91234-394

ACTIVE INGREDIENT

Spirotetramat 22.4%

FORMULATION

Suspension Concentrate

IRAC NUMBER

23

SIGNAL WORD

Caution

RE-ENTRY INTERVAL

24 hours

PACKAGE SIZE

6 x 250 ml, 8 x 1 qt

RESTRICTED USE

No

Bootstrapped and ready to serve, we deliver battle-tested chemistries and an experience like no other. Proud to be 100% American-owned, our mission is to help you every step of the way.

Asteria™, with the active ingredient spirotetramat, provides control of economically important insects and mites. An excellent alternative to neonicotinoid chemistry, Asteria is fully systemic and moves throughout the plant to protect current plant tissue and new growth. Use Asteria on ornamental plants, non-bearing fruit and nut trees, and vegetable transplants in greenhouses, nurseries, and interior plantscapes.

PRODUCT INFO

- Fully systemic, moving in both xylem and phloem to protect all plant tissues
- Flexibility to use as a foliar or drench application
- Unique mode of action is compatible with rotational programs
- Up to 30 days of protection from damaging insects
