5

SIGNAL WORD

Caution

RE-ENTRY INTERVAL

4 hours

PACKAGE SIZE

48 cs/pal

RESTRICTED USE

No

Cachera™ Fruit Fly Bait is an organic bait insecticide that attracts and provides targeted control of multiple species of adult tephritid fruit flies. Cachera Fruit Fly Bait treats and prevents infestation in trees, nuts, fruits/vegetable food crops, and vegetation, which may serve as fly resting sites. No pre-harvest interval enables flexibility around application timing up to and including the day of harvest.

PRODUCT INFO

- OMRI-Listed® for organic production
- Targeted pest control
- No pre-harvest interval
- Broad-spectrum defense against infestation
