7

SIGNAL WORD
Warning

RE-ENTRY INTERVAL
5 hours

PACKAGE SIZE
4 x 6.5 lb (24 cs/pal)

RESTRICTED USE
No

BATTLE-TESTED CHEMISTRY ESTD 2014

Bootstrapped and ready to serve, we deliver battle-tested chemistries and an experience like no other. Proud to be 100% American-owned, our mission is to help you every step of the way.

Powered by the active ingredient boscalid, Entador™ offers growers proven activity against white mold and critical foliar diseases including early blight. With both preventative and curative activity, Entador provides broad-spectrum crop protection for species including beans, potatoes, and many others. Entador provides growers the long-lasting residual protection needed to manage dynamic growing conditions.
