No

Powered by the active ingredient fenpyroximate, Oriki™ 5 SC is a miticide and insecticide with contact action on all life stages of mites and suppression of several damaging insects. With activity on all economically important families of mites, Oriki 5 SC provides broad-spectrum control even if the mite species is misidentified. Use Oriki 5 SC on ornamentals, greenhouse grown cucumbers, tomatoes, peppers, Christmas trees, and more.

PRODUCT INFO

- Controls all life stages of Tetranychid, Tarsonemid, and Eriophyid Mites
- EPA reduced-risk pesticide
- Stops feeding immediately to prevent further damage
