2

SIGNAL WORD

Caution

RE-ENTRY INTERVAL

4 hours

PACKAGE SIZE

8 x 8 wt oz

RESTRICTED USE

No

RorduxTM XP delivers broad-spectrum control of annual and perennial weeds in pastures while protecting desirable plant species including bahiagrass. This selective herbicide can be applied by ground or aerially providing a one-two punch of strong foliar activity together with a long-lasting residual protection. A low-rate application of Rordux XP in the fall can reduce weed populations up to 90% the following spring.

PRODUCT INFO

- No haying or grazing restrictions on select rates*
- Low application rates
- Herbicide tank-mix compatible
