29

SIGNAL WORD

Warning

RE-ENTRY INTERVAL

12 hours

PACKAGE SIZE

4 x 3.5 lb

RESTRICTED USE

No

Cablon™ 50 WG is an insecticide formulated as a water-dispersible granule to help preserve yields by reducing the number of insects on your cotton, pecans, citrus, and fruit. With a translaminar mode of action, Cablon 50 WG works on contact and through ingestion. It provides immediate and long-lasting control of damaging pests, including two-spotted cotton leafhopper, aphids, plant bugs, and fleahoppers. Cablon 50 WG is also soft on beneficials and an excellent tank mix partner.

PRODUCT INFO

- On-contact control of many aphids and plant bugs
- 2(ee) for two-spotted cotton leafhopper
- Excellent resistant management and tank-mix partner
- Translaminar movement for long-lasting protection
