RESTRICTED USE

No

Tirade™ Pour-On is a ready-to-use formulation that protects beef and dairy cattle against horn flies, face flies, and biting and sucking lice. It is approved for use on lactating and non-lactating dairy cattle and beef cattle. Only a small amount of product applied along the top of the back and head is required for convenient, versatile, and effective protection of cattle.

PRODUCT INFO

- Ready-to-use solution — no mixing required.
- Can be used any time of year on cattle of any age or size.
- No meat or milk withdrawal requirements.
